

SESCO Lighting Acquires ERT Lighting

Maitland, FL, May 19, 2025 - SESCO Lighting, Inc., headquartered in Maitland, FL, and ERT Lighting, headquartered in Austin, TX, have announced they will join forces to become one company, expanding SESCO Lighting's footprint into Central and South Texas. The transition will occur officially on July 1, 2025. This move will combine the existing resources and 480+ employees of SESCO Lighting with the 36 employees and four offices of ERT Lighting.

ERT Lighting, founded in 1986, has built a strong organizational foundation within the Austin and San Antonio markets. Led by Jordan Doyle, the team at ERT has steadily grown and continues to focus on delivering professional service and value to the Central Texas markets while representing some of the finest lighting and control brands in the industry.

President and CEO of SESCO Lighting, John Palk, noted, "Today marks an exciting day as we bring ERT Lighting into the SESCO family. Over the last several years, I have seen firsthand the focus Jordan and his team have had on growing, learning, and creating a culture of trust. That culture and their roll-up-the-sleeves attitude has helped attract great talent within the market and was a major factor that led to our announcement today. Our focus going forward is to build on what's already in place and further expand the value and services this team brings to the Central and South Texas markets as well as the great manufacturers that ERT Lighting represents."

"The ERT Lighting team is thrilled to be joining the SESCO Lighting team and honored to be the first in expanding their operations in the state of Texas. The entire ERT team has worked meticulously over my tenure to cultivate key specifier, distributor and contractor relationships and this collaborative agreement between two respected agencies offers ERT the horsepower of SESCO's industry-leading resources to help propel our agency years into the future. I strongly believe in the leadership and vision of John Palk and the SESCO team and am excited at the opportunity to remain as acting Division Leader for this territory long into the future. As we pursue an accelerated growth strategy and additional personnel, we are committed in maintaining continuity with our existing employees, customers and key manufacturers, whether historically aligned with SESCO or not." stated Jordan Doyle.

ABOUT SESCO Lighting, Inc.: Founded in 1967, SESCO Lighting, a 100% Employee-Owned company, has consistently grown throughout the years. With a core philosophy of bringing value to the local markets while strengthening partnerships with some of the industry's most respected lighting and controls manufacturers.
